STATE OF WASHINGTON
STANDARD RULES FOR 2017 BASEBALL SEASON

WASHINGTON STATE AMERICAN LEGION BASEBALL

Washington State American Legion Baseball is divided up into 4 Areas (see map below). Each area is managed by a Senior Commissioner who has additional Commissioners who help him manage the Area. The west, east, north and south parts of the state are different in demographics and geography and sometime what works on the west side of the state may not work on the east side of the state. When reviewing the following Standard Operating Procedures; be aware that the Senior Commissioner for your area may issue an addendum to this document that may add or to a State or National rule.

The job of the Senior Commissioner is to manage all aspects of his area and to assist new and existing teams with preparing to legally compete in an upcoming baseball season. All questions concerning an area should be addressed to the Senior Commissioner in-charge or one of his District Commissioners and not the State Chairman or National Headquarters. The following is important information and our Standard Operating Procedures for the upcoming baseball season. If at any time you are confused you should consult your area Commissioners for clarification.

Within the State of Washington there are 3 Divisions of baseball teams. Our Junior “A” Division is usually reserved for players in the 13-15 age brackets. Our Junior “AA” Division is usually reserved for the 16-17 age brackets and Our Senior “AAA” Division is usually reserved for the 18-19 age brackets. There are certain provisions that allow players to play up or down in a Division outside of their age bracket. With over 150 teams in the State of Washington there are plenty of opportunities to schedule games within any Division.

On the following pages you will find information on team paperwork requirements, purchasing insurance, recruiting players, dual participation rules, equipment requirements, scheduling games, online scoring, and the overall commitment players, coaches and teams make when playing Washington State American Legion Baseball.

2017 IMPORTANT INFORMATION

1. Your Area Senior Commissioner will inform you of the following important dates and paperwork you must comply with in order to play American Legion Baseball in your area of the state for the 2017 season.

THE WASHINGTON STATE AMERICAN LEGION PROGRAM IS CONTROLLED BY THE WASHINGTON STATE AMERICAN LEGION BASEBALL COMMISSION. WE ARE AFFILIATED WITH THE NATIONAL AMERICAN LEGION BASEBALL PROGRAM AND THE FOLLOWING RULES APPLY TO ANY TEAM PLAYING AMERICAN LEGION BASEBALL IN THE STATE OF WASHINGTON.

- 1 The rules of **Major League Baseball**. (see National ALB Rule book for exceptions)
- 2 The current (2017) rule book published by the **National Headquarters of American Legion** Baseball.
- 3 The current **Standard Operating Procedures** published by the Washington State American Legion Baseball Commission and any addendums from your local Area.

The National Headquarters of the American Legion allows a state to be more restrictive in the establishment of state rules. For example a state could say 19 year old players can't play American Legion Baseball. The reverse logic also applies; a state can't say 20 year old players can play American Legion Baseball; that would be weakening a National Rule. The majority of state rule restrictions come from input of team managers and coaches throughout the state. The Washington State Baseball Commission takes pride in listening to team managers, coaches, players, parents, umpires and volunteers. We view our program as a partnership with our teams and local communities and for all who strive to make a positive impact in the lives of our youth in Washington State.

Here are our Statewide Standard Operating Procedures for 2017.

STANDARD OPERATING PROCEDURES (SOP's)

(Your Area Addendums will be attached to this document)

- 1) **TEAMS COMMITTING AFTER YOUR AREAS DEADLINE DATE WILL BE CONSIDERED AN EXHIBITION TEAM AND WILL NOT QUALIFY FOR POST-SEASON PLAY UNLESS APPROVED BY THEIR SENIOR COMMISSIONER.**
- 2) **Teams that do not comply with registration and paperwork procedures will become exhibition teams should they decide to register.** Exhibition teams do not qualify for post-season tournaments.
- 3) **NEW TEAMS:** A “new team” is defined as:
 - * A team that did not play as an American Legion Baseball team the previous season.
 - * A team that played in American Legion Baseball the previous season but has a new coach and has no than 3 returning players from the previous season’s roster.
- 4) **PAPERWORK & STATE LEAGUE FEES:** Teams that have not submitted all “ERRORLESS” paperwork and team registration fees and purchase required insurance policies by applicable due dates, will not be eligible for league, or post-season play.
- 5) **NOTEBOOKS:** Team notebooks will be brought to all league and non-league games including a copy of these state SOP's to include all Area Addendums. **There is a \$5 replacement fee for any missing player ID card.** Team Managers be aware that in your team notebooks are the forms for the consent for medical treatment of your players so therefore you should always have it with you for all practices and games.
- 6) **INSURANCE RULE:** Prior to the first practice or game, every American Legion Baseball team must purchase both liability and accident insurance policies “online” from the American Legion’s agent of record (S.A. Van Dyk, Inc.) no later than May 15th via ALB’s national website. Consult your local Area Commissioner for any date changes to this rule for your area.
- 7) **BACKGROUND CHECKS:** All team managers and coaches are required to complete the background check process established by the National Headquarters of American Legion Baseball. The application is available on the Washington State American Legion Baseball website. **www.wastatealb.com**
- 8) **SCHEDULES:** Team Managers are required to enter their teams “league home games” into our online scoring program prior to the season which tracks schedules, scoreboard and league standings. The deadline is established by your Area Senior Commissioner. Managers are also required to update chances to game schedules during the season for changes such as rainouts.
- 9) **LEAGUE SCHEDULE DEADLINE:** No league schedule changes may be made after June 15th, except for rain, umpire shortage, or severe emergencies, with approval of the Area Senior Commissioner. Therefore please do your best not to back-end your league games and summer tournament games.
- 10) **LEAGUE GAMES:** A team must complete the league schedule with less than 2 forfeits to be a contender for postseason play. If you have 2 forfeits in league play, you will be disqualified from any post-season play. Forfeiting a doubleheader will only count as 1 forfeited game, but 2 losses in the league standings if both are league games. Teams that do not finish their League or Postseason schedules must file an appeal with the Area Senior Commissioner within 60 days following the end of the regular season. If the decision by the Area Senior Commissioner is to suspend the team for the following year, then an appeal can be made to the State Chairman, along with a \$50 fee. The State Chairman’s decision can only be appealed to the Washington State Baseball Commission that meets ever fall to discuss baseball matters and plan for the next year’s season.

- 11) FAILURE TO APPEAR:** If a team fails to appear once the game has been confirmed, then a forfeit loss (7-0) will be given to the team that failed to appear. If a visiting team fails to appear and umpires are compensated the team failing to appear will reimburse the home team for that expense.
- 12) GAME CANCELLATION:** In case of rain, umpire shortage, or severe emergency, you need to notify the other team's head coach at least 4 hours prior to game time. Coaches should be in contact with each other in case of bad weather, poor field conditions, postponements, etc. throughout the day.
- 13) FORFEITURES:** Other than emergencies, umpire shortage, or rainouts, any league "dates" cancelled less than 24 hours of game time will be considered a forfeit by the canceling team.
- 14) RESCHEDULED & TIED GAMES:** If a league "date" needs to be re-scheduled, the coach calling for the re-schedule is responsible to make arrangements for the make-up game with-in 24 hours of re-scheduling. Responsible coach must make the change on our online scoring system within 24 hours. Be sure to notify the umpire associations (or assigned person). Re-scheduled "dates" not made up prior to the last legal day of league competition will be considered a half game forfeit by both teams. All completed games ending in a tie must be played out prior to season's end or a tie will be given to both teams.
- 15) CANCELLED LEAGUE DATES/GAMES:** Games cancelled due to rain, umpires, or emergencies must be made up at the next available date. If rain/umpire shortage/emergency games cannot be re-scheduled prior to the Divisional Tournament then both teams will receive a half game forfeit.
- 16) RAINOUT POLICY**
- If a game has reached the required number of innings played (either 4 ½ or 5), and is halted because of rain and not resumed, it will be declared a completed game.
 - If it begins raining after 5 innings or more have been completed and the game is rained out, it would revert back to the last completed full inning.
 - If a game is rained out before the required number of innings are played (either 4 ½ or 5), it will be considered a suspended contest. When play is resumed, an attempt will be made to play the game to completion (7 innings) or at least get past the completed game mark (either 4 ½ or 5 innings) if poor weather again that day.
 - **SUSPENDED CONTEST** - In ALB Season/Post Season Tournament play, any contest called by the umpire before it can be considered a regulation game according to NFHS rules shall be a suspended contest and will be continued at a later time as follows: a) The contest shall continue from the point of suspension at a later time. b) The lineup, innings pitched and batting order of each team will remain exactly the same as when All ALB pitcher limitation rules apply. In case of suspended game, it will not constitute an additional appearance by the same pitcher(s) that pitched in the game, prior to being suspended
- 17) MAKE-UP DATES:** League games must be made up on the first available date after the rainout. League games have priority over non-league games. Edit league game schedule on our online scoring system within 24 hours.
- 18) TIEBREAKER CRITERIA:** If two or more teams are tied at the end of the regular season, teams will be seeded for post-season play according to (this is used for teams tied for the pigtail game too, but A and C will not be used due to teams not playing each other during the season):
- a. Head to head competition. (If it a 3 way tie as soon as one team as a team is declared a winner or is eliminated, the remaining teams begin the process from the beginning again to break the tie.)
 - b. League game results versus team #1, #2, #3, #4 etc. Example – If tied for 2nd then you compare the records against the 1st place team in your league, if still tied then you compare against the 4th place team and so on.
 - c. Runs allowed in league play between the tied teams.
 - d. Runs allowed in league play versus team #1, #2, #3, #4, etc.

- e. If above criteria does not break a tie, then a play-in game will be played unless no team is eliminated then a coin flip will decide the seeding.
